Financial Policies and Agreement

Thank you for choosing us for your dental needs. We are committed to providing you with excellent dental care and convenient financial options. We realize you may be requiring some dental care and it's easy to forget that a doctor's office is also a small business. In the interest of both good medicine and good business, we believe it is best to communicate our policy to avoid any misunderstandings later.

Please read, sign and return the following:

Payment:

Payment for service is due at the time services are provided unless other payment arrangements have been approved in advance. We accept cash, check, bank debit, Visa and MasterCard. You might also be interested in taking advantage of one of our financing options we have available through third-party financing. By utilizing this wonderful finance option, your entire family will enjoy the excellent treatment we provide with minimum easy-to-budget monthly payments. They offer a variety of **INTEREST FREE** financing including plans with 3, 6, 12, and 18 month options (if you qualify).

Insurance:

We will be happy to process your insurance claim form electronically or by mail as a courtesy to you. If you have insurance please be prepared to pay your portion of the total treatment fee on the day of service. Please understand that insurance policies vary greatly, therefore, we can only estimate your coverage in good faith, but cannot guarantee coverage due to the complexities of insurance contracts. As a service to our patients, we will bill insurance carriers on your behalf for the services performed. We will allow them 45 days to render payment. After 60 days, you are responsible for the remaining balance in full. Remember, your dental insurance is a contract between you, your employer, and the insurance company. We are **not** a party to that contract. If you have any questions about insurance information or are uncertain regarding coverage, please do not hesitate to ask us. We are here to help you.

Missed or cancelled appointments:

Once an appointment has been made, please remember that this time has been reserved specifically for you. We reserve a right to charge a fee for all cancelled or missed appointments. Please give us 1 to 2 business days notice in order to fill the cancelled time slot. Our business days are Monday through Friday.

Timeliness and Communication:

We are committed to seeing you on-time and request you be on-time for your visits as well. This way, we can ensure all our patients are seen when promised. As it relates to communications, we request you give us permission to tell you exactly what is happening with your dental condition and explain how to best treat that condition.

Service Charges:

The policy of this office is to charge 1% interest monthly (12% annual percentage rate) or a billing charge which is applied to all accounts over 60 days past due. We will charge \$25.00 for all returned checks.

I understand and agree to this Financial Policy and Agreement
